

NLP with Whole Being Brighton Practice Group

Practice your NLP Skills in Brighton

We noticed that several people who have trained with Whole Being find that Littlehampton is a long way to travel to a practice group, so they asked us "Can you set up a practice group in Brighton?" We listened and we've asked a few people and it's looking good. We have just two questions :

1. Who do you know who may also be interested?
2. Do you know of a good venue, low cost and near to a station (Hove, Brighton, Preston Park)?

Please feel free to drop us an email .

We plan to start in November 2008.
